Submission Details

- topic_evidence.pdf

Instructions

To pass this unit, you must provide evidence of your learning for each topic.

1. Create a document that demonstrates your understanding of the topic.

   For this topic, create a single document that summarises your understanding of everything you have learnt. Provide examples from the activities.

   Include, the following. Evidence can be anything that you think will demonstrate your learning from this topic. This can be notes, presentations, photos, screenshots, code, mindmaps or anything else.

   You can use evidence of these learning objecticves from the topic class – or provide your own evidence. Refer to the unit site for this topic for guidence.

   Include at least the following.

   - Activity 1 Evidence
   - Activity 2 Evidence
   - Activity 3 Evidence
   - Practical Activity Evidence

   You should also comment on how could you apply what you have learnt going forward.

2. Export this document as a pdf e.g. `evidence.pdf`.

3. Submit all required files to OnTrack.
